

Checklist for groups and tennis court users

This checklist is pursuant to guideline of Japan Sports Agency. Please hand in this form at General Reception(1F). In order to prevent the spread of novel coronavirus infections, we might ask you to cooperate in verbal surveys with the administrative agencies such as the health center.

Personal information will be strictly managed based on the Musashino City Personal Information Protection Ordinance and will not be used for any purpose other than those listed above.

We will keep your personal information on the checklist for a month and then dispose of it.

Physical condition

◆ Please refrain from using the facilities if you apply to the following items mentioned below :

- In case you are not feeling well (fever, coughing, sore throat, abnormal taste, etc.)
- In case your family members or acquaintance with close contact are infected or suspected of being infected with COVID-19.
- In case you have traveled to any of the countries or regions designated for immigration restrictions, post-entry observation periods or contacted some residents of them within the past 14 days.

Hygiene

- Please wear a mask.
- Wash your hands or disinfect your hands frequently with alcohol.
- Coughing manners (Cover your mouth and nose with handkerchief ,etc. while coughing.)

How to Use

- Comply with the specified number of people and avoid 3Cs (Closed space with lack of ventilation, Congestion ,Close contact) in order to use the facilities safely (including changing rooms and meeting rooms).
- Make efforts to reduce opportunities for close contact with others and congestion whenever possible in using the facilities. (for example, playing table tennis in singles, baseball umpires wear masks, practicing Judo without an opponent).
- Avoid sharing sports equipment as much as possible and don't share towels and drink bottles, etc.

Notes

- In preparation for emergency such as the occurrence of infections, the person in charge of a group of participants should make sure of their contact addresses and information.
- If you are found to have been infected after using the facility, please contact us immediately and cooperate with the local authorities in their investigation and measures.
- In addition to the above-mentioned matters, please follow the instructions by people in charge of the facilities.
- Please make sure that all the participants have confirmed all the items of this checklist.
