

Outline

Musashino Place is a public facility started in July 2011. It works not only as a library, but as well as a support facility to various community activities and studies held to inspire “lifelong learning”, “civic group activities” and “youth activities” around Musashino City.

The library collections are more than 170,000 books and 600 periodical titles. Patrons are welcome to enjoy their free time at the 400-seat reading area inside the library.

Also, 6 community rooms of capacity 10 to 200 persons are available for community groups to hold meetings and conferences. The multi-purpose exhibition space is offered for holding small scale exhibits like displaying pictures and paintings.

Furthermore, copy machine and community lounge are available for community group members, while the music, dance, craft & cooking studios are available prior to the teens.
